1. Background and Status

- 1.1 The objective of the Memorandum of Understanding (MoU) is to underpin relations between UK Uni and UKR Uni, in relation to the UK/UKR Twinning project. It is not considered to be a contract creating legal and financial obligations between the parties.
- 1.2 Twinning is aimed at creating a long term partnership between the universities, the initial focus will be on identifying ways the UK university can support their Ukrainian partner during the current Russian aggression, following this the partnership will provide a framework for both institutions to work together on the development of the Ukrainian partner, as well as develop a range of academic collaboration activities.

2. Principles of Collaboration

- 2.1 Areas of activity may be proposed by either party.
- 2.2 Potential areas of activity of mutual interest and concern may include, but are not limited to, the following:

Initial Phase

- i. Exploring the opportunity to providing support to the UKR partners academics and students
- ii. Opening up of research groups to UKR partners researchers.
- iii. Hosting UKR Partner academics for short periods of time in the UK
- iv. Creation of summer schools for UKR staff and students
- v. Encouraging student engagement via the Student Unions of both institutions
- vi. Providing technical/operational training and support to the UKR partner where requested

Second Phase

- vii. Collaborative academic provision;

- 6.3 Any costs associated with the provision of any specific products or services by any Party will be subject to separate negotiation and agreement.

7. Term and Termination

- 7.1 The commencement date for the MoU is 13 October 2022.
- 7.2 The duration of the MoU is for a period of five years from the commencement date.
- 7.3 During the validity of the MoU, either party may terminate the MoU by giving three months written notice to the other party.
